M·E·L·B·O·U·R·N·E

#MUF26

HIGH ST, NORTHCOTE
MELBOURNE, VICTORIA
27-29TH MARCH 2026

MADE IN MELBOURNE

WHAT IS MUF?

Since 2010, when Brunswick legend Dean Denham sparked the idea, MUF has welcomed performers and fans from near and far. High St, Northcote comes alive each year with unique music moments and hundreds of enthusiastic uke players and music fans.

Our 2026 theme, Made in Melbourne, celebrates the bold and inventive spirit of our city. Come explore sounds that go far beyond C, F 'n' G.

MUF is fully volunteer-run and a registered not-for-profit organisation. We rely on the support of our valued sponsors who make this annual event possible.

Thank you for supporting our local music scene!

WHAT WE NEED:

Financial Support

We are an urban festival, which means paying more for our venues. We also pride ourselves on paying our performers. We need funds to do this.

Product Support

Our annual raffle is one of our major funding sources. Last year, sales were limited to 500 tickets and sold out quickly. Donate a raffle prize for high visibility across the festival weekend and beyond.

Social Support

Share our poster in your windows or offices, share our social media posts, or just buy a ticket and come along!

WHAT YOU GET:

Donations over \$100 get:

- Dedicated social media posts
- Regular mentions by MCs during the event

Donations over \$250 also get:

- Your Logo on our t-shirt, website and program

Donations over \$500 also get:

- Top line Logo placement
- 2 tickets to the Saturday night concert

Donations over \$1000 also get:

- Stage naming rights
- 2 full festival passes

ALL GET OUR ETERNAL GRATITUDE!
